## ***“BUILDING A PRESENCE FOR SCIENCE IN MASSACHUSETTS”***

### **What is MassBaP?**

- *~Science Matters~* “Building A Presence For Science in Massachusetts” (MassBaP) is a professional online dissemination network of current science education updates for PreK-16 science educators.
- MassBaP is part of the NSTA *~Science Matters~* “Building A Presence for Science” (BaP) Program in Massachusetts.
- Currently, the NSTA *~Science Matters~* BaP program has a direct audience of teachers in pre-K through 12th grade in 34 states and the District of Columbia and has a goal to reach every state in the U.S. Go to <http://nsta.org/sciencematters> to learn more.
- MassBaP currently has a direct audience of over 100 Department of Higher Education partners, 100 Key Leaders, and more than 1,400 K-12 science educators. In addition, MassBaP receives updates from national organizations (NASA, NIH, state institutions (Museum of Science, NE Aquarium), and regional STEM Pipeline networks.
- The MassBaP network is supported by the Christa Corrigan McAuliffe Center at Framingham College, [www.christa.org](http://www.christa.org)
