

# CREW MANIFEST

Use the following guidelines for groups of less than the maximum of 36 students:

1. Divide students evenly between groups A and B.
2. Assign shaded areas last.
3. Maintain paired teams of crewmembers in PROBE and REMOTE.
4. If possible, maintain pairs in ISOLATION, LIFE SUPPORT, and NAVIGATION.
5. Assign single crewmembers to COMMUNICATION and DATA.

**Do not exceed a maximum of 36 crewmembers.**
